PHILOSOPHY

We at Greek City Cafe strive to bring our customers the best quality food with a mediterranean flair. First, our traditional Greek items are the best tasting around, such as our signature Greek salad, mousaka, and gyro pita's. But what separates us from other mediterranean restaurants is the other items we offer. We understand that when placing a catering order, our customers want to please all of their guests to the highest degree. That is why we offer more mainstream items, but just with a hint a Greek flavor. Please choose from a wide variety of wrap and pita sandwiches, and of course our delicious strawberry walnut salad! With the family recipes that have been handed down from generation to generation, we hope that your catering experience exceeds your highest expectations. So please, take a step back, and enjoy the flavor of the mediterranean, just now in the comfort of your home or office....
